## The Starlight IT Fund raises \$220K for charity

The Starlight IT Fund recently held its Starlight IT Fund for Kids 2011 Night of Nights Charity Dinner simultaneously at Doltone House in Sydney and Shed 14 Docklands, Melbourne.

More than 600 people from the ICT industry gathered for the annual Know IT All challenge, dinner and auction, to support the charity.

About \$220,000 was raised to help seriously ill children – \$125,000 in Sydney and \$95,000 on Melbourne.

This year, Victoria and NSW went head-to-head live in a state versus state competition twist.

CBS Interactive from Sydney won the outright title, beating CSC in Melbourne and taking the title from last year's winner – Google. ■
