### **A TASTE OF ITALIA**

Melbourne will host the Australian Smirnoff Nightlife Exchange Project on Saturday 12 November with a one-of-a kind Italian-themed event taking place at Peninsula, on the Harbour Esplanade at Docklands. Last month Smirnoff revealed that Australia will be swapping nightlife experiences with Italy as part of a unique global experience in which 50 countries celebrate the best of their local nightlife. The Australian edition of the Smirnoff Nightlife Exchange Project is set to be a big night with more than 2,500 guests expected to attend. **Junior Jack & Kid Crème** and Alex Gaudino will headline and Anna Lunoe will play host on the night.
